Churchyard gate leading to St Peter's Street

Please ensure that you close the right hand side gate as you leave the Churchyard by the St Peter's Street exit as if it is left open, it obstructs access to the garage to Lime House and we have received understandable complaints from the new owner. Thank you

Thermal Imaging

The Parish Council have kindly offered us the use of their thermal imaging camera to help us identify where we may be losing heat from the Church, Hall and Stables, which will help complement a recent Energy Audit undertaken on the Church with the assistance of Diocesan funding. Guidance will be provided and a volunteer is sought to take on this project, so if you feel that you could help with this, please let me know and I will provide further information. Thank you.
