Prayer based on Psalm 8

Most excellent God, your glory so surpasses our knowledge and so transcends our understanding that we wonder about who we are and how we came to be. We study the cosmos and discover that our questions always outnumber our answers. As we give praise for the animals, the birds, the insects and the plants, we lament that even as we delight in them we destroy more than we discover and lose more than we can count. O most excellent God, help us to understand both your glory and our limits, that we might live well in your creation.

**ST PETER'S, BISHOPS WALTHAM AND
THE BLESSED MARY, UPHAM

For this reason, ever since I heard about your faith in the Lord Jesus and your love for all God's people, I have not stopped giving thanks for you, remembering you in my prayers. *Ephesians 1.15*
