VISION UPDATE....

Bringing In Building Up Sending Out

Growing in our Discipleship and Witness

ST PETER'S 'VISION INTO ACTION' PLAN 2018/2020

In 2015 we put together Mission Action Plan 'MAP' for 2015-2020. Since then we have been focusing on different aspects each year. There are leaflets at the back of the church which give an overview of our vision and the actions the PCC are proposing over 2018/2020 to put more of our

Vision into Action. The leaflet includes a variety of actions:

- to help us understand our **Vision and Values**
- to help us grow as **Disciples** (and so in depth)
- to help us grow as **Witnesses** (and so in numbers)
- to help us grow our **Leadership** team
- to help **Resource** our discipleship and witnessing
- to help bring in and build up more **Families, Children, Young People**

If you would like to find out more, or would like to offer help in achieving these actions, please do speak with myself, our wardens Claire and Robin, or any of our PCC members. *With thanks. James*

SERMON NOTES....

Please use this space to jot down key points of the bible passage today and what you feel God might be calling you to do this week:

A BIG THANK YOU

The Parish Office is back to normal following my break, but I would like to thank Christine F, Maureen F, Rosemary E, Sarah P and Susan TB for holding the fort. A special mention also for Emma and Jess Dean who compiled the notices in my absence. Thanks All, Sam.

FREE STREET ROAD WORKS

Hampshire County Council are improving access to Bishop's Waltham Junior and Infant Schools by putting in a new pedestrian entrance, footway link and crossing on Free St, just north of the Church Hall. The work is due to take around four weeks and will begin on the 30th July. Due to the width of Free Street, it will be necessary to close the road to through traffic. Access will be maintained for Churchgoers, but some on-street parking spaces will be suspended. The council have told us, wherever possible barriers and signs will be moved and the road opened during evenings and weekends, however this is **NOT** guaranteed. Please bear this in mind when you attend services in either the Church or Hall. If you have any queries regarding access, please contact Steve McAlindin Engineering Consultancy on 0300 5551388. HCC Planning application ref: 17/00785/HCS.

CHURCH LIGHTING

Firstly we would like to thank everyone who has donated to the appeal. Although we have not yet reached our target, we have enough confidence to award the contract. Work will start on Monday 30th July and last for 6-10 weeks. During this time it is regretted that the Church will be closed for Health & Safety reasons from 7 am on Mondays until 4 pm on Fridays. We have made the necessary arrangements with our contractors for the weddings that we have scheduled on weekdays and since they have worked in a number of churches are aware of the need to facilitate any funerals that often occur at short notice. If you have any questions please feel free to contact Ian Leesmith 895795.

MAKE A LASTING GIFT TO YOUR CHURCH.

A leaflet explaining the amazing benefits which a legacy can bring is available for you to take home from the back of the Church. If maybe this is something you have not thought of for St Peter's, it would be wonderful if you might consider when next updating your will. The leaflet explains all you need to do, but if you would like to ask anything please do. James, Nigel and Paul

POSTCARDS NEEDED

There is a box at the back of the Church where you can donate your unwanted new or used postcards. This helps MAF do their incredibly important work.

For more information about any of these activities please take a leaflet from the back of Church, see the website or Parish News.
