VISION UPDATE....

Bringing In Building Up Sending Out

Growing in our Discipleship and Witness

ST PETER'S 'VISION INTO ACTION' PLAN 2018/2020

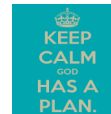

Our vision continues to be a major focus in everything we do:
Vision: "We aim to proclaim the Gospel of Jesus Christ in word and deed so that the Church family grows, deepens its Christian understanding, commitment and spirituality, and serves the community."

Some of the key Vision Actions we are hoping to focus on and achieve in the coming months are:

- **Welcome/Hospitality/Invitation** – to encourage each other in having a 'Big heart for the people of Bishops Waltham' in who we are as individuals and in all our groups and activities
- **Family, Children Youth** – to re-structure, energise and grow our groups/activities
- **Website** – to complete outstanding pages to show who we are as a church
- **Overflow service launch 3rd March 4pm** – with a focus on bringing or returning families with a new way of doing church
- **Christian Basics** – to deliver a plan for running introductory courses e.g., Alpha course starting Spring 2019

There is plenty more to do that we are working on, please do speak to James, Robin, Claire or members of the PCC if you would like to help with any of these things.

ST PETER'S UNSUNG HEROES

It's time to highlight two members of our Church team who have worked tirelessly behind the scenes.

Firstly, we would like to thank Robin Andersen who undertook a monumental task which was thrust upon all organisations by the Government, namely GDPR!!!! He worked on it for weeks and was always available for help and advice, whilst keeping everyone on track, so thank you Robin.

Secondly, Charles Crossley, who is undoubtedly the greatest Mr Fixit we have ever had here at St Peter's! Not only does he get repairs done in record time, he spots things that need attention before they break, saving us money in the long run! A talent which should be recognised in these cash strapped times! So a big thank you also to Charles.

BACK ROOM AT THE HALL

We are pleased to say that we have converted the back room of the hall into a children's area. This has been carpeted, decorated and furnished to make this a pleasant space for our young ones to be in. It has some cushions, toys, books and Lego as well as a TV and Sega Mega Drive. There is a screen enabling the service to be watched/heard. The creche area at the back of the hall will continue to be set up for those that want to use it - but this gives another option for parents/children. The idea is that parents and children can use this during Sunday Services and also give the children a place to go after the service whilst the parents enjoy coffee and fellowship. It will also be used by other church groups such as GWNN. Please do pop in and check it out.

Special thanks go to Charles Crossley and Lizzie Davidson who made this happen.

For more information about any of these activities please take a leaflet from the back of Church, see the website or Parish News.
