

Travelling with Jesus to Jerusalem

an opportunity in Lent for us to travel together in the Holy Land

Each week we will be watching a 15-minute video from a Film Series being produced by Dr Peter Walker to accompany his book *In the Steps of Jesus* (LionHudson, 2006).

Each episode has been filmed on location in the Holy Land. Together they will give us all an opportunity

- to imagine Jesus' teaching and ministry in its original setting
- to sense the barrenness of the desert
- to feel the excitement of coming up over the crest of the Mount of Olives
- to discover likely sites for Jesus' Last Supper, and for his trials before Caiaphas and Pilate
- and to ponder the historical reality of his death and resurrection.
