Kate Smyth

Periodic College/University

Location: Coffee Shop or Zoom!

stpbn.fcy.kate@gmail.com

Who's is a 'Connect Group' for? You were made to belong and live in friendship and community with others, and a key way to find that at St Peter's and Blessed Mary is to be in a small group with people who can encourage you, help you grow in faith and have fun!

Being part of a Connect Group can help you discover how God has designed you with unique gifts, passions, and talents, and how you can use them.

What do 'Connect Groups' do? A variety of things that go on, including bible study, discussion and doing things together (and for others) that deepen understanding and faith. The groups use a variety of study materials and courses and periodically all follow what is being taught on Sundays.

When do 'Connect Groups' meet? Some meet weekly, some fortnightly and there are both daytime and evening groups. Some groups start with a meal or a snack and share fellowship. Some groups meet in one home regularly, others move around and others meet out in the community!

Is there a 'Connect Group' for me? Yes there is! whether you feel you are starting out on the Christian journey or have been on it for a while. If you would like to find out more, please get in touch with the leaders or do give James a call and he can help match you with the right group for you.
