

Connecting with God, each other and new people

As well as coming to worship as part of a congregation, being part of a **smaller group** is also really important to help us connect with God, with each other and with new people.

At St Peter's and Blessed Mary, we have a range of smaller groups which many of you are already part of. However, as we move into 2022, you might like to think about trying a small group for the first time, or try a new small group with a particular focus or activity.

You might especially like to consider a **Connect Group** ('Home Group') that can really help you grow on the Christian journey. Our range of Connect Groups is listed on our Connect Group leaflet.

If you would like to know more, please send an e-mail to James who will arrange for the group leader to call you:
